

ADMINISTRATIVE MEDICAL ASSISTING CERTIFICATE

This certificate prepares students for administrative duties in a health care setting. Students will develop the skills and knowledge required to effectively perform health care office functions including patient scheduling, insurance and reimbursement procedures, and office recordkeeping, while adhering to legal and ethical standards in the field.

Students who complete the Administrative Medical Assisting certificate can apply those courses to CCV's Health Science (A.S.) program.

Required Courses are listed in the order in which we recommend you take them.
