

PROJECT MANAGEMENT CERTIFICATE

This certificate provides students with an immersive understanding of the practices and skills needed to succeed in an entry-level project management role. Students will learn how to create effective project documentation and artifacts throughout the various phases of a project, and practice strategic communication, problem-solving, and stakeholder management through real-world scenarios.

Required Courses are listed in the order in which we recommend you take them.

- INT 1050 Dimensions of Self & Society
- COM 2360 Conflict Resolution
- or
- COM 1010 Effective Workplace Communication
- BUS 1010 Introduction to Business
- BUS 1210 Business Software and Spreadsheets
- BUS 2010 Concepts of Project Management
