

HOSPITALITY & TOURISM (A.S.) +

The Hospitality & Tourism program prepares you for entry-level positions in the travel services and hospitality industry within the local and global marketplace. In this interdisciplinary program, global and sustainable perspectives will be emphasized. You will develop skills in communication, computer systems, customer and guest services, marketing, human relations, geography, supervision, and management.

All associate degrees include completion of general education requirements which, together with program requirements, constitute a minimum of 60 credits. In some cases program requirements also fulfill general education requirements. You may not use a single course to meet two general education requirements.

Program Outcomes

Graduates of the Hospitality & Tourism program will be able to:

- describe the geographic, economic, sustainability, and cultural factors of the hospitality industry;
- demonstrate strong interpersonal skills pertaining to guest services;
- apply principles of hospitality, marketing, and sales to business situations through case studies, simulation, informational interviews, and/or internships;
- demonstrate a critical understanding of principles in human resources, leadership, technology, and decision-making as applied to the business of hospitality management;
- demonstrate academic skills required of all CCV graduates including competency in critical thinking, writing, information literacy, oral communication, and quantitative reasoning; and
- explore pathways for educational and career development in the student's field of study.

The Hospitality & Tourism program is great for you if:

- you are interested in working in the service industry;
- you enjoy working in a fast-paced and changing environment;
- you want to provide top-quality service for clients and guests;
- you want to learn more about the world and other cultures;
- you are interested in a career in resorts, hotels, restaurants, a sporting industry, event management, or the ski industry; and
- you would like to pursue a bachelor's degree in business, tourism, event management, or sport management.

Key information and advice for students in Hospitality & Tourism:

- If you are now working in the field, you may be able to earn life experience credit for courses in this program through Assessment of Prior Learning.
- Hospitality & Tourism provides opportunities for students to get out into the industry to network and meet professionals.
- Students may choose focus areas within the hospitality industry such as event management, tourism, or hotel and restaurant management.
